3. Your account

- 3.1. You must invest for a fixed Investment Term of at least 1 (one) month.
- 3.2. You must deposit your initial investment amount within 7 (seven) days of opening the Fixed Deposit account to receive the Fixed Interest Rate. If you do not make this deposit within 7 (seven) days, your Fixed Deposit Account may be closed.
- 3.3. Your initial investment amount may only be transferred from another Sasfin Bank account, that is either a Sasfin transactional account or a Sasfin call deposit account.

4. Deposits

- 4.1. No additional deposits may be made into your Fixed Deposit account during the Investment Term.
- 4.2. The minimum deposit required to open a Fixed Deposit account is R20,000.00 (twenty thousand rand).

5. Interest

- 5.1. You will earn interest on your investment at the Fixed Interest Rate.
- 5.2. We are entitled to determine, at our discretion, the Fixed Interest Rate applicable to the fixed deposit product. These interest rates are available on request or at www.sasfin.com.
- 5.3. Interest is calculated daily, paid monthly and will be calculated on the daily balance in your Fixed Deposit account.
- 5.4. Based on your instruction, interest accrued on your Fixed Deposit account may be paid either monthly or on the Maturity Date.
- 5.5. The frequency at which interest is paid may not be changed once your Fixed Deposit account has been opened.

- 5.6. Interest earned may be re-invested into the account (capitalised) or transferred to your Nominated Account.
- 5.7. If the interest is paid to you monthly, the investment will yield interest at a nominal rate. If the interest is capitalised, the investment will yield interest at an effective rate. The effective rate will be higher than the nominal rate due to the compounding effect of capitalised interest.

- 6.1. No management or administration fees apply to Fixed Deposit accounts.
- 6.2. **If you request your funds to be paid out before the Maturity Date, you may be charged a penalty fee which will be deducted from your funds before your funds are paid to you.** The penalty fee is equivalent to 10% of the Fixed Interest Rate multiplied by the number of days remaining to the Maturity Date with a minimum penalty fee of R350.00 (three hundred and fifty rand).

7. Account closure

Closure of the Fixed Deposit Account is not permitted before the maturity date.

8. Maturity

- 8.1. You must ensure that we receive instructions from you regarding the withdrawal of your investment amount or the reinvestment of your funds at least 1 (one) month before the Maturity Date of your fixed deposit.
- 8.2. If we have not received an instruction from you on or before the Maturity Date of your Fixed Deposit Account, we will immediately reinvest your funds for a period equal to the original Investment Term, at the interest rate applicable to fixed deposits at that time. **Early withdrawal penalties may also apply should you wish to withdraw the funds after such reinvestment has started and before the Maturity Date of such reinvestment.**
- 8.3. Should you, at or before the Maturity Date, request the withdrawal of your funds, we will transfer your funds into the Nominated Account the day after the Maturity Date. If your nominated account rejects or is unable to receive the funds for any reason, we will try to contact you at the contact details provided to us.
